MISD Dance/Drill Team Handbook and Guidelines 2024-2025

All MISD High School dance/drill team members must adhere to the following articles. It must be understood that as a member of this organization, the student becomes a representative of McKinney I.S.D. and each member must maintain high moral and ethical standards. Membership is from the tryout date through the last day of school or a written resignation.

Article I. Purpose

The purpose of the varsity and junior varsity drill/dance team is to promote spirit and sportsmanship at school functions and to serve as a performing group representing the high school throughout the community, state, and nation.

Instructional and performance activities are affirmatively directed toward development of individual member improvement, resulting in a highly skilled performance group. Each student selected must be cognizant of the time commitment and individual dedication demanded in striving for personal improvement and teamwork through responsibility and discipline.

Students are exposed to teaching, practice, and performance opportunities that result in the development of responsibility, self-respect, and that encourage honest effort in striving for excellence. These opportunities also develop character, teamwork, and pride in quality performance and physical fitness by emphasizing the maintenance of high standards.

Article II. Eligibility Qualifications and Requirements

- A. In order for a student to be eligible to tryout the student must currently be enrolled in and attending a McKinney ISD school by March 25th, 2024.
- B. Students and Parent/Guardian are encouraged to submit online application information by March 25th, 2024. The required information that should be completed online can be found at the website of the school that the candidate will attend. These websites can be found in the following pages of this document. By submitting the form online, you are agreeing to abide by all guidelines set forth in this document. A copy of your proof of residency and a copy of all four pages of the MISD UIL Physical Form must be scanned and emailed to drill team director at the campus the student attends or will attend. Please save the label the documents with the candidate's first and last name. If you are a current drill team member, your physical is already on file. There is no need to email the director a copy.

Example: Susie Smith Proof of Residency
Susie Smith MISD Physical Form

If you are unable to scan and email these three documents, you must contact the drill team director prior to the start of clinic and bring a copy of these documents to the first day of clinic.

Please note: If you choose to bring the documents to the first day of clinic, you may miss material covered that day during the clinic. We will not begin accepting these documents until the start of the clinic, and it does take a few minutes to verify each proof of residency and ensure that the physical has been completed correctly.
